Tom:

Please advise as to when we can expect to receive the draft Agreement. We have been receiving inquiries from HHW members and supporters as to the status of this matter.

Thanks.

Dave

Thanks for the update.

As you know, HHW has serious concerns about this process. Further, for all sorts of good reasons, HHW is not confident that DOH will treat this matter in an appropriate manner.

We look forward to participating in discussions with all involved. We trust that our participation is not just seen as some window dressing to provide cover for those whose credibility has been called into question.

Please call me to discuss this matter when you have time tomorrow.

Dave

I went out of town Friday morning and returned at 1:20 pm today...R&R. I have not as yet checked any of my 22 phone messages, but have kept up with my e-mails (or so I think) and did not see anything from you.

1. I am working on what I hope to be the final draft. I hope to complete it this afternoon. Several new contributions from the NYSDOH...nothing significant.

2. I hope to conference the draft with SG and NYSDOH as early as possible tomorrow.

3. I'm still shooting to post Thursday or Friday, which is when I will get it to you and start talking about a meeting.

**Subject:** Hoosick Falls Water Treatment Agreement

Tom:

You will recall that when we met one week ago (2/9), you indicated that a draft agreement setting forth the proposed arrangements under which Saint-Gobain would fund the treatment systems on the Village water system was being prepared and would be available for review and comment within several days.

Since last Tuesday, I have attempted on several occasions to reach you by phone to ascertain the status of the draft agreement and to discuss the content of the agreement. To date, you have not responded to my calls or the messages I have left.

Please let me know today what the status is with respect to this matter. Specifically, Healthy Hoosick Water (HHW) seeks the following information:

1. Has a draft agreement been prepared?
2. Who drafted the agreement or is drafting the agreement?
3. When will the agreement be provided to us?

Please call me to discuss any questions or concerns you may have as to our inquiries.

Thank you.
